Notes to all sponsors!

We're very grateful for your support of our event!

Please help us to fulfill our commitment to you by getting us speaker info, graphics, attendee names, and payment as soon as possible.

In order to meet our commitments to our suppliers we need this before 31 August 2023.

In order to keep this event at low cost to the attendees, we rely on sponsorship from Information Security and Assurance vendors. When your group is ready to get involved, please contact:

**Information Warfare Summit 16
Sponsorship Information**

The Information Systems Security Association - OKC Chapter (ISSA-OKC) and the InfraGard Oklahoma Members Alliance (IOMA) are proud to present the 16th Annual Information Security Warfare Summit (IWS) on **Wednesday, October 11, 2023**. The event will be held at the Hilton Garden Inn, Edmond Conference Center this year. Address: 2833 Conference Drive, Edmond OK 73034.

IWS is an Information Security joint venture between InfraGard and ISSA-OKC. This event draws 400+ InfoSec professionals from throughout the state of Oklahoma. IWS attendees come from corporate and academic environments as well the public sector. Speakers at this event have included FBI Subject Matter Experts, corporate security executives and local industry professionals with the single goal of sharing their knowledge and experience with other community members.
